

APPLICATION

VILLAGE COMMUNITY FUND BOARD OF DIRECTORS AND ADVISORS

Please complete and send to VCF President Diane Phelps at DianePhelps@comline.com. Once we have received your application, you will receive a call from us to discuss your interest further.

The Village Community Fund leadership is comprised of an all-volunteer philanthropic Board of Directors, whom reside in Laguna Woods Village, and meet monthly or more often to conduct VCF business. Each board member is also involved in other clubs and organizations within the community, which is a benefit to understanding how the village operates and is able to advocate for project applications that request VCF funding.

A great pathway to a board position, if you're interested, is to become an Advisor to the board or join a project fundraising committee. This gives Advisors the opportunity to basically try out a board position without a bigger commitment.

Because VCF is a non-profit community benefit organization, we look for Advisors and board members with a passion to give back to our community with expertise and practical experience in specific areas such as accounting/bookkeeping, business administration and office management, non-profit fundraising, lawyer/legal aid, website development/design, public relations, and video production.
